

2013 Club Foundation Auction Donation Form

Donate a product, service, trip, sports memorabilia, or other creative idea to the CF Auction and take advantage of this opportunity to be in front of decision makers in the club industry! The Club Foundation annual auctions are held in conjunction with CMAA's World Conference and The Club Business Expo. Proceeds from all the special events at Conference all provide essential funds to The Club Foundation's Grant and Scholarship Programs. This is a great way for your company to give back to the Association and Foundation, as well as get some great exposure to club managers!
